Swimming program at Lakes Aquadome begins next Tuesday. Our swimming session is from 11:00-11:45 on the following days.

**Tues 12th/Wed 13th/Thurs 14th/Fri 15th Mar**

**Mon 18th/Tues 19th/ Wed 20th Mar**

**Mon 25th/ Tues 26th/ Wed 27th Mar**

Students will need to bring their bathers, a towel (and goggles if they have them), in a separate bag. We will be leaving school at 10:30am so will have an early recess...back in time for lunch.

Parents are most welcome to come and watch! Please see attached permission form and return to school before Tuesday.

Australia Day Clean Up

*Nungurner Kids doing their bit for Clean Up Australia Day.*

We also took the opportunity to walk along the new track down Jetty Rd to familiarise students with this safe access to school.
Tuesday the 19th of March will be a busy day because after swimming we will be going down to Metung for our first Arts performance.

Painter, illustrator and cartoon artist Tony Sowersby is our first Nexus arts performer. I’m sure this workshop will be fun because........

...students (even those who believe they have limited artistic skills) are shown how to develop characters using basic shapes and how to portray movement, emotions and funny situations.

Our current school council members are:

Bronwyn van der Velden, Lynne Brehaut, Jo Cannon, Kylie Greenaway, Rachel Bell, Wilhelmina Rijs and Ross Monteith (Community rep)

See Angela

Thanks for the extra scraps for the chooks. We are still getting eggs although they have started to slow down. Well done to Holly and Angela our champion chook monitors!!

Emergency Phone Tree

Attached to this newsletter is a phone tree to be used to contact people in case of an emergency. Please note your place in the tree and put this somewhere where you can find it easily if the need arises.

Student Information & School fees

We are requesting Student Information forms to be updated and returned to the school as soon as possible in order to update our records. Thank you.

Thank you to those families who have paid their school fees. This enables us to offer a wide range of programs for the students and is particularly important when swimming and camps come around.

Please come and see me to finalise payment of fees to match your circumstances.

These are the yummy things we made in cooking on Monday! Thanks to Ross for the tomatoes and zucchinis.

**Zucchini Fritters**
400gms zucchini, coarsely grated
1/2 cup SR flour
1/2 cup grated cheese
2 eggs
2 tablespoons of milk

Combine all ingredients, mix well. Cook tablespoons of mixture in a heated frypan, for 3-4 minutes each side.

*Note: If the zucchini is very moist might be a good idea to squeeze the moisture out first....some of ours were a bit mushy and took a long time to cook.*

**Roasted tomato and cheese tarts**
1 sheet frozen puff pastry, thawed
2 eggs
Half cup grated cheese
2 tablespoons milk
½ cup roasted cherry or Roma tomatoes (or larger, cut into pieces)
½ teaspoon dried basil

Cut up tomatoes. Put on an oven tray, drizzle with olive oil and roast until soft. Beat the eggs with the milk and most of the grated cheese. Use a large scone cutter to cut rounds from the pastry, place in a small muffin tin that has been greased. Pour egg mixture into pastry cases, add roasted tomato halves, sprinkle with extra cheese and some dried basil. Bake in hot oven until golden and set.

**Thank You...**

..to the wonderful workers who turned up on Saturday for the working bee. We achieved..

- playground surround replaced to hold in softfall mulch
- guttering on sports shed replaced
- gutters and rooftops cleared of leaves and sticks etc
- irrigation to fruit trees (partially)
- general pruning and gardening

We are very lucky to have parents willing to give up their time and energy to keep the school a safe and well maintained environment for the children.
