Our Market and ‘Biggest Morning Tea’ is a great community event for Nungurner. As well as raising funds for the school and for important cancer research, it is an opportunity to get together as a community and enjoy a great day. Big thanks are due to the organising committee (Jo Cannon, Lynne Brehaut, Vicki Fraser, Rachel Bell, Wendy Sormaz and Leah Anderson); please come along on Saturday and support their wonderful efforts.

Attached to this newsletter are some flyers for each family to distribute and a table listing activities & stalls that still need volunteers. Please put your name in one of the empty spaces and return to school!!

We look forward to seeing everyone for a great day on Saturday.
**Parent Teacher interviews**

Thank you to all parents for making time to attend recent parent/teacher interviews. All discussions were productive and students now have clear goals for their learning this term. (Remember....if you have any questions about your child’s learning don’t hesitate to come & talk to us). Formal written reports will be completed at the end of this term, and again at the end of the year, and parents will be given the opportunity to discuss these with teachers if they wish.

**Junior Rotary Awards**

Angela and Keegan are both making progress towards their Junior Rotary Awards.

This is a report written by Keegan about his attendance at the ANZAC ceremony.

**ANZAC DAY**

Angela and I were representing Nungurner primary school when laying down our wreath at Metung. Lots of people were there, some had made their own wreaths to lay around the cenotaph. A squad leader got 4 men to stand still in front of the 4 corners of the cenotaph and then the people who fought in wars came onto the grass and stood in 2 rows.

At the end everyone sang the National anthem. Afterward we talked to Tim’s dad who had 5 or 6 medals. Anzac day was really good and I can’t wait till next year.

**First Aid Training**

A full day of First Aid Training was held at the school on Saturday May 4th. Staff from Bruthen, Buchan and Metung primary schools attended, along with Ms V, Leah Anderson & Tim Roberts from Nungurner.

**Naplan**

The National testing program in literacy and maths takes place this week-Tuesday to Thursday. All students in years 3, 5, 7 & 9 will complete the assessments.

**Computers: We now have 4 new large touch screen computers installed in the classroom. The ones they have replaced are in good working order and are for sale for $50 each. Please see Ms V or Vicki if you are interested.**

**Cross Country**

**WELL DONE EVERY-ONE!!!**

All the Nungurner kids did a great job at the Cross-Country, which was a superb day. William’s drawing and Lara’s recount tell the story!

*On Monday I went to Buchan for a cross country. I loved it. It was fun. I was pooped afterwards. Lara*

Earn & Learn

We have registered for the ‘Earn & learn’ program again this year so save those stickers and put them either in the box at Woolworths or here at school. There are also sticker books available on the table inside the front door. Please encourage family & friends to support Nungurner…we got a lot of very good phys ed equipment from this program last year and hope to be able to get some new art equipment this year.

Metung /TUBBS sport

Our Friday afternoon sport with Metung is going very well, with children now getting to know each other and looking forward to spending time together. The older children have played T-Ball and Soccer and last week played a modified game which will lead into netball. The younger ones have played a variety of games including kickball, tabloid sports, cricket and last week used a parachute.

The grade 4/5/6 students will be going to Swan Reach on Friday for Winter Sports practice. They will be involved in football, soccer and T-ball. Mr Brehaut will take them as Ms V & Tim will be in Bairnsdale for a professional development activity run by Communities for Children.

Due to preparations for the Market we will not be going to Metung for sport this Friday.

Metung PS are also happy for children at Nungurner to join in their after school activity program.

After School Programs

Swan Reach PS has vacancies in their afterschool program and are happy to accept Nungurner children if anyone is interested. The program currently runs on Mondays, but if there is enough interest the Wednesday sessions may be reinstated. Activities include arts & crafts, indoor and outdoor games, cooking, films, stories, construction, computer work, imaginative play and time to complete homework.

We encourage anyone interested to contact Audrey Stephenson on 51563260 or the Swan Reach school on 51564287. (If enough Nungurner children were interested in attending we may do a bus run to deliver children for the program.)

Thank you to our parents and volunteers for your fabulous effort coordinating the Nungurner Primary School Market. We have many stall holders and car boots booked. We still need some help with preparations and the running of stalls on the day. If you have not already volunteered to help out on a stall, please write your name against a stall and also help with setup or pack up. Please return this form to Ms van der Velden.
