What a wonderful event our Market & Biggest Morning Tea was!! It was great to welcome so many visitors to our school and have them experience a warm Nungurner welcome. The organising committee are to be congratulated that all their efforts resulted in a fantastic community event...despite the weather. A big thanks to everyone for braving the weather and turning up to enjoy a cuppa and a chat.

Many thanks to all those in the Nungurner community who contributed in so many ways; the car boots, market stalls, baking for the morning tea, volunteering, helping on the Landcare stand, cooking the BBQ, donations and so much more. We really do appreciate your support and involvement in our school.

Ms V, Mrs Brehaut, the kids and everyone at Nungurner.
Ms V, Keegan and Angela (along with the gde 5/6 students & teachers from Swan Reach), head off to DOXA city camp VERY early on Monday morning. We will be away enjoying lots of fantastic Melbourne attractions and experiences for the week. Some of the things we are doing include:

- Melbourne Museum
- Old Melbourne Gaol
- Parliament House
- Melbourne Sports and Aquatic Centre
- Victoria Market

I’m sure we will have a great time and will learn heaps!

Starting next week Hot lunch day will be on Thursdays. This will enable us to have lunchtime with the Metung children before our sports sessions each Friday.

Our students are wonderful and each of them shines in their own unique way, but sometimes their achievements deserve special recognition. Our ‘You’re A Star’ awards are designed to do just that; to recognise effort, improvement and individual achievements. So far the recipients have been:

- **Holly**: Consistently doing a hard job very well in looking after the chooks during term one.
- **Keegan**: Consistent effort and improvement during Yoga sessions each week.
- **Lara**: Always doing your best with a great big smile!!
- **Angela**: Wonderful efforts and participation in sport at Metung

*Well Done everyone!*

These are some of the ideas we learned about yesterday during our science activity session at Metung. Lots of fun and it was great to see everyone participating so well!!

They will experience a range of activities both in the classroom and outside and will mix with the Nungurner students, who are currently working on a play of 'Peter and the Wolf' to perform for them.

*If you know of any families with 4 yr olds who may like to attend please let them know and ask them to contact the school so we can keep them informed about our transition program.*
