Once again the term is off to a great start. The children arrived back at school refreshed and happy to see each other. We finished last term on a high note with some great work completed and displayed for our book banquet. Unfortunately though, we had to cancel our Nyerimilang picnic day due to wet weather. Stay tuned...we are hoping to do that before the end of the year.

We are sending our best wishes to Tim who is recovering from some minor surgery and will be away for the rest of the month. I’m sure Tim will have a stack of reading to catch up on! Tanya is filling in while Tim is away...great to have her here every day instead of just Mondays.

This term we are learning all about the Human Body....well not ALL, but I’m sure we will learn lots.

Ms V
I will be on teaching rounds for the next 5 weeks. Because of this I will be unable to set up/clean up playgroup.

I am looking for some volunteers to commit to coming and setting up, cutting fruit etc.

If you can help please sign below. Thanks Leah

Help with materials
Angela has embarked on a major project that will be happening over the next few weeks. She is entering the ‘Wearable Recycled Art Parade’ at the Bairnsdale Show and is looking for small pieces of fabric, beads and old CDs. If you can help with any of these items please drop in at school.

Absent Students
Thanks to those parents who ring and let us know that their child will be not be at school that day; it is helpful to know where they are. If your child is absent and we don’t hear from you, we will ring you to make sure all is ok....if we can!

Camp Coolamatong
Sharon from Camp Coolamatong will be meeting with P-2 students from Metung and Nungurner to talk about thee camp. As well as meeting Sharon and learning a bit about the camp, children will also have some input into the activities we will do.

This will take place at Metung PS on this coming Monday, Oct 14th at 10:30am. The Nungurner students will travel to Metung on the bus and be back shortly after recess.

Parents are welcome to come too!

Vegie Garden
The vegie garden is responding to this Spring weather and things are starting to grow well. All the students have just renewed their Wheelbarrow licences and Tanya has helped them start making some compost. We are also growing some mushrooms and look forward to using them in our cooking.

Because Christmas is a time of caring and sharing

What is Mother Christmas?
The Mother Christmas Appeal provides food hampers and children's gifts to East Gippsland families at Christmas. It is about looking out for local, and acknowledging that Christmas can sometimes be a time of financial strain and not all families experience the joy of sharing a Christmas meal with family and friends.
Community Service Agencies refer families to the Mother Christmas Appeal and hampers and gifts are given without judgement. It is an opportunity for the community to work together to share their best wishes at Christmas time.
