EAST GIPPSLAND SCHOOLS—AWARD NIGHT—

by Lara

On Wednesday the 19th August I got an award at the Bairnsdale R.S.L. Ms V. Mum, Dad, Tahlia, Ethan, Luke and Rachel came and saw me get my award.

I went on stage and got it and then went into another room to have my picture taken. We went to get dessert but it wasn’t very yummy. Then we got another picture taken with everyone in it and a girl sang a song.

She had an amazing voice. Then we went home. This is what the award said: ‘Lara is an outstanding grade 3 student. She approaches all aspects of her school life with a can do attitude. She has achieved excellent academic results and is a kind, thoughtful and considerate member of the school. Lara is always ready to offer assistance, encouragement, praise and recognition to her schoolmates’.

It was fun getting my award I felt proud.

‘ONE AFRICA’ - BOITE SCHOOLS CHOIR  
By Ethan

Last Wednesday Nungurner Primary and other schools went to perform at Bairnsdale Christian School. We were in the Boite choir. It was fun and a great way to experience singing in a choir and to learn about African music.

During term 2 and 3 the grade three students from Nungurner practised songs at school and at home. Carol came to help us at Nungurner.

We had a rehearsal at Bairnsdale 754 Primary School with all of the schools a week before the performance. The day of the concert we went to Bairnsdale Christian School to do a rehearsal before the concert. Olive was out the front. She helped us know when to start and stop singing.

The night of the concert was exciting. We sang six songs including Bebe Yo, Fodingke, Hama Weya, Lele Ma, Lumba and Mbira.

I thought singing in a choir was fun. I liked it very much.

“It was fun and a great way to experience singing in a choir and to learn about African music.”
On Wednesday 26th of August Nungurner Primary and community had a Book Week celebration. We had lots of activities including the library bus and activities with library staff. We read stories, decorated a money box and made a wide-mouthed frog mobile. We also dressed up as our favourite book character and had a parade. After all the commotion we had morning tea. We all loved celebrating Book Week. Reporter—Holly

Students enjoyed listening to stories. Thanks to the Kinder kids for coming along.

Ducks Ducks Ducks!!

We have 27 duck eggs in an incubator in the prep room at the moment. We are watching them carefully and turning them every day. We’re up to day 21...expecting them to hatch between day 30-35 so watch this space!
Education Support Staff week.
“...the day we celebrate the wonderful work of the staff and secretaries.”

THANK YOU VICKI-

by William

The day was Wednesday and the students were at school for ESS week which was the day we all celebrate the wonderful work of the staff and secretaries.

When Ms V told us to write a card for Vicki she asked us about what Vicki does and we gave her answers and then made the cards that told Vicki how much we appreciate her work. We also decorated our cards so they looked outstanding.

We ate playlunch quietly and normally until Ms V came in with Vicki and then Phoebe presented a big bunch of flowers which began the whole ceremony. We all read our cards out loud and presented our cards which pleased Vicki very much.

Next there was morning tea. There were two cakes, one strawberry and one chocolate. After the morning tea we went outside to play.

We enjoyed celebrating ESS week and we’re sure that Vicki did too!
Last Tuesday Nungurner Primary School had a visit from Landcare. They came to NPS to plant one hundred and twenty trees. My dad was my partner and we really liked it. Holly was not there because she was sick. We planted from one o’clock until three o’clock in the afternoon. We got dirty and muddy. Our school looks beautiful and I can’t wait until all the trees grow!! I like it.

We thank the Landcare people for helping us.
